

1. Finny's accident affected him in many ways. State how it affected him physically, mentally and emotionally.
2. What is Finny's key word or words he uses when he does not want to believe something Gene said or did? What was Gene's code word to the reader when he didn't believe what he was saying?
3. State two assumptions that Finny thought or said that he apologized for.
4. What was the author's purpose in having Finny steady Gene at the tree at the end of chapter 2?
5. State a lie that Gene told Finny in these chapters.
6. What did Gene decide his purpose would be at the end of chapter 6?
7. Why was it so important to Finny to hear that Gene had taken no roommate while he was at home convalescing?
8. What was the rule in Finny's Decalogue that Finny was going to follow?
9. Why did Gene get into a fight with Quackenbush when he knew he needed the position?
10. What was Finny looking for when he started to fall? What was Gene's response to his statement?

Bonus: Who left the dorm room across the hall and who lives there now? Is this a good or a bad switch?
